  - "There's something else." Daley breaks the silence, his voice cracking just a fucking little. He flips a switch on the wall. - Feb 21, 2011
  - "It blooms year-round, thanks to them," he says quietly. And we're just looking, standing, breathing the thick moist air. Together. - Feb 21, 2011

  - Daley points to the headstones. "They're here with us, always. Harrison, Washington, Dad." He chokes up on that last one. - Feb 21, 2011
  - And it's then that I notice for the first fucking time that, nestled amid the stalks of celery are three modest headstones. - Feb 21, 2011
  - He hands me a small pinch of powder and the sharp taste of celery salt crosses my lips. "Our legacy," he says, and points to the stalks. - Feb 21, 2011
  - Daley fucking plucks a stalk. "Care for these. Let flowers bloom. Dry them. Harvest the seeds. Grind them. Mix with salt." - Feb 21, 2011
  - It's so warm and beautiful in the dome--green everywhere--and the air is pungent with the smell of... is that fucking celery? - Feb 21, 2011
  - We're on the roof of City Hall. The wind is fucking strong and the snow stings when it hits my face. Daley heads into a glass dome. - Feb 21, 2011
  - And Daley's gesturing for me to follow him, and suddenly we're out a window and heading up a motherfucking fire escape. - Feb 21, 2011
  - And suddenly Daley's tears are gone, and they're replaced by anger. "Don't fuck all this up. There's so much more than you know." - Feb 21, 2011
  - "And I've made a little calendar of all the secretaries' birthdays. Don't forget." If I didn't know better, I'd think Daley was welling up. - Feb 21, 2011
  - "And Magdalena, she cleans up on alternating nights. If you have shit you don't want thrown out, make sure you put it away." - Feb 21, 2011
  - "So the toilet, just down the hall, you need to jiggle the handle after you flush." Daley's not really making eye contact. - Feb 21, 2011
  - "Look, there are some things you need to know. " I'm here! In his office! In City fucking Hall! - Feb 21, 2011
  - Daley helps me up, his hands fucking envelop my arms completely. "Sorry again, but we needed to talk tonight. Can't take chances." - Feb 21, 2011

  - I'm still blinking, and the light is grinding a migrate into being, when I hear a voice fucking boom out from above me. - Feb 21, 2011
  - I'm fucking gasping when the bag comes off. We've been driving around for an hour, clearly trying to confuse me. It worked. - Feb 21, 2011
  - They're down in the snow, pummeling each other. And I don't even notice the figure behind me until the bag's already over my head. Fuck. - Feb 21, 2011
  - And now we're all standing outside and Axelrod's yelling "LET'S GO, ASSHOLE!" at Ari. He really loves his fucking car. - Feb 21, 2011
  - "Fucking Spielberg alone gave you enough to buy a fucking Beemer, and you're driving around in this shit?" Uh oh--Axelrod's pulling off. - Feb 21, 2011
  - "Hey, how come your fucking radio doesn't work? What kind of piece of shit car is this?" And I can see Axelrod turning red. - Feb 21, 2011
  - "I had no clue that the prerequisite for running for mayor was chopping your balls off." We're stuck in fucking stop and go traffic. - Feb 21, 2011
  - "How come every news clip I see of you, you're acting like a giant walking hernia?" He's here for two fucking days. - Feb 21, 2011
  - "Nice blanket, Linus. Fix the fucking airport once your mayor, OK asshole?" Motherfucking Ari. My brother's here. - Feb 21, 2011
  - Wrapped in a blanket while riding shotgun in the Civic on the way to get Ari from the airport. The wind is cold through the missing window. - Feb 21, 2011
  - The snow's delayed Ari's plane for a couple hours. Probably best if it were delayed until motherfucking Wednesday. - Feb 21, 2011
  - I've said it before, but I'll say it again: Whoever thought it was a good idea to have an election in February was a fucking asshole. - Feb 21, 2011
  - Fuck you, snow. Nobody fucking wants you here. Go the fuck away. - Feb 21, 2011
  - Then he had to go running back to the Civic because Axelrod called out that "We need more Corps in sector 2814." What the fuck? - Feb 21, 2011
  - Asked Carl how things were going, and he said "In brightest day, in blackest night, no evil shall escape my sight." The fuck does that mean? - Feb 21, 2011
  - Carl the Intern and Axelrod are directing the InterCorps from "the command center"--a laptop and a map in the backseat of the fucking Civic. - Feb 21, 2011

  - All day prep for the final debate tonight on a hangover from hell. Someone keep the coffee motherfucking coming. - Feb 17, 2011
  - Today coffee is a steaming cup of fucking awesome. - Feb 17, 2011
  - Axelrod and Carl the Intern are pulling me out of the box. "We heard you screaming from the 19th Ward." I love my fucking friends. - Feb 16, 2011
  - And I'm flying backwards fucking fast, but I hear Curtis yell out "NOTHING IS WHAT IT SEEMS, MAN. WHAT IF YOU'RE NOT YOU?" - Feb 16, 2011
  - And I can't even ask "who" before he he says, "You have to go, man. You have to go right now." And I can feel myself being pulled away... - Feb 16, 2011
  - And he stops dancing and looks right at me and says, so quietly it's almost fucking inaudible, "He's looking for you." - Feb 16, 2011
  - And then Curtis leans in really fucking close and, in a whisper, he says, "There's something else you should know, man." - Feb 16, 2011
  - And suddenly Curtis is singing again, just slow and low, and I can fucking feel the dance come back to me, and then we're dancing together. - Feb 16, 2011
  - And Curtis Mayfield points to the fucking skyline inside his chest and he says, "It needs someone, someone to hold it, someone to love it." - Feb 16, 2011
  - "Chicago is hurting. I can feel it," and he opens his suit and inside is no body, but the motherfucking skyline itself. - Feb 16, 2011

- "But my brother, it's not life, or stories, that I want to talk about. It's my city. It's Chicago." I'm starting to feel fucking woozy again. - Feb 16, 2011
- "And there are a lot more stories still to tell. Just don't tell them with cheap-ass 'they were all dead' endings." I fucking won't, Curtis. - Feb 16, 2011
- "You've got of life still ahead of you. Especially if you don't eat old shit you find in a box." Curtis fucking right on on that one. - Feb 16, 2011
- But then Curtis says, in that beautiful fucking voice of his, "This isn't the kind of story where it turns out you're dead." - Feb 16, 2011
- And Curtis is just humming now and the bunny is so fucking soft. And you know what, if this is it, this is pretty fucking good. - Feb 16, 2011
- And the Pat the Bunny bunny comes running over, and hops into my arms. And he's so motherfucking soft, I could pat him forever. - Feb 16, 2011
- And he's putting his hand on my arm, the one that has the sleeve missing, and for the first time in fucking months, I just feel calm. - Feb 16, 2011
- And he's singing, really quietly, but it's beautiful. A slow version of "It's All Right." And I close my eyes, and I know that it is. - Feb 16, 2011
- And out of the wall, just right there out of it, like it didn't exist at all, walks Curtis Mayfield. He's wearing a beautiful fucking suit. - Feb 16, 2011
- Landed. And I'm in a white room, and there's music playing softly. And there's no wheat, and no dibs tower. There's no fucking anything. - Feb 16, 2011
- "Look, there's something you need to know, about you. About this..." but my eyes are fucking blurred, and I can feel myself falling. - Feb 16, 2011
- "We don't have much time," Siskel's yanking me backwards now, and my chest feels fucking hollow as he does it. - Feb 16, 2011
- And now Siskel is trying to pull me away with his giant fucking thumbs, but I want to stay holding this glowing heart forever. - Feb 16, 2011
- I'm hugging the glowing fucking heart of Studs Turkel, and it's wet and it's bright, and I can feel all of you beat inside it. - Feb 16, 2011
- "Their shoulders are broad, but their hearts are fragile. You have to feel the pulse of the city," and he waves me towards the fucking heart. - Feb 16, 2011
- He's floating just slightly above the ground, but Siskel speaks with fucking gravity: "Studs' heart beats for all Chicagoans." - Feb 16, 2011
- Gene Siskel's smile compete's with the light of Studs' heart. His thumbs are fucking enormous. - Feb 16, 2011
- A figure walks in front of the heart, its bright light still filtering through his translucent form. "Thumbs up, my friend." Siskel! - Feb 16, 2011
- I've climbed up to another landing. Up here, the motherfucking heart of Studs Turkel is shining like a fucking beacon. - Feb 16, 2011
- It's motherfucking beautiful up here, the sun making this tower of junk glow with the righteous power of millions of saved parking spaces. - Feb 16, 2011
- We're up above the clouds now. Looking down is just a sea of pink fluff. Actually, it looks motherfucking delicious. - Feb 16, 2011
- ..CK. I blacked out there. My motherfucking head is pounding. There's that fucking bunny again, climbing ever upward. Here we go. - Feb 16, 2011
- WHAT THE MOTHERFUCKING FU... - Feb 16, 2011
- And I can feel myself passing out when Marshall Field floats right up to me, looks me in the fucking eyes and says: "He's looking for you." - Feb 16, 2011
- "It's a city that doesn't quit. It's a city that never stops believing." And he's humming some fucking tune I can't place. - Feb 16, 2011
- "At the end of all that horror, we built a city of dreams, my friends and I. They said we couldn't. We did." I'm going to be fucking sick. - Feb 16, 2011
- "The river, it used to bubble with poison. It killed scores. My friends and I, we reversed it." I'm getting fucking dizzy. - Feb 16, 2011
- "This city burned once. The screams still haunt me. But my friends and I built it back." His head is floating fucking circles around me. - Feb 16, 2011
- Field's fucking luminescent mouth opens and he speaks: "If you want to run this city, there's some things you need to know." - Feb 16, 2011
- You know what? Field may be a motherfucking disembodied head, but he still looks fucking classy. Dapper tie dangling down. - Feb 16, 2011
- I've reached a landing, though the tower still fucking rises above. A door opens, and the disembodied head of Marshall Field floats out. - Feb 16, 2011
- I'm probably a mile up this motherfucking tower of milk crates and lawn chairs. All I can see in every direction is wheat ringed by water. - Feb 16, 2011
- Well, it's either walk back through that field of wheat or climb up this tower of dibs furniture. Motherfuck it, let's head up. - Feb 16, 2011
- I turn and say, "I don't know what to do," but Sweetness is already gone, the dulcet tones of the Superbowl Shuffle all that's fucking left. - Feb 16, 2011
- That fucking bunny hops off Payton's back and scampers up the tower, and Sweetness turns and says, "We've run together as far as we can." - Feb 16, 2011
- We've reached a clearing, and Sweetness turns and says, "We're here." It's a huge motherfucking tower made out of dibs chairs. - Feb 16, 2011
- We've been running through this wheat field for fucking hours now. It's so hot, I ripped a sleeve off my shirt to wipe away the

- sweat. - Feb 16, 2011
- I have the distinct fucking feeling that this is going to be a long motherfucking day. - Feb 16, 2011
  - Definitely Sweetness. He ran by again, this time with the Pat the Bunny bunny on his back. The fucking bunny turned and said "follow me." - Feb 16, 2011
  - Someone just ran by me in this wheat field. He was running fucking fast. All I saw was the number 34. Sweetness? - Feb 16, 2011
  - I remember packing this box, and don't remember fitting and entire field of fucking wheat in here. But that's what I'm standing in. - Feb 16, 2011
  - OK, nobody fucking panic, but this box is definitely getting fucking bigger. - Feb 16, 2011
  - Ate it. And holy fucking fuck, I swear to god the bunny on the cover of that book just winked at me. - Feb 16, 2011
  - I am so motherfucking hungry that I might eat this motherfucking jar of fermented baby food I found. - Feb 16, 2011
  - But really, there are only so many times a guy can read "Pat the Bunny," and this pile of cloth diapers is getting fucking short. - Feb 16, 2011
  - Everyone else must be on day two of my wards tour. Which maybe is a blessing, because today is all the shitty wards. Looking at you, 14th. - Feb 16, 2011
  - There was a shift in the night, and there's something on top of this box now. I can't get it open. Fucking trapped. With no coffee. - Feb 16, 2011
  - Fell asleep inside this box. Have the worst fucking crick in my back and can't really move. Uh, Axelrod? Carl? Hambone? Quaxelrod? Anyone? - Feb 16, 2011
  - Which, admittedly, might be kind of soon because I think I just heard Axelrod pop a fucking beer. - Feb 15, 2011
  - Fuck it: HIDE AND SEEK, MOTHERFUCKERS. I'll get out of this goddamn box of baby clothes when I'm motherfucking ready. - Feb 15, 2011
  - So you fucking play the game the way it's played, right? Isn't that the whole motherfucking point of hide n seek: to not be found? - Feb 15, 2011
  - So really, what the fuck was the point of getting in this goddamn box in the first place? Oh right: because it's a motherfucking game. - Feb 15, 2011
  - GODDAMN MOTHERFUCKING TYPOS. - Feb 15, 2011
  - But here's the thing: I could stay in this box all fucking night, and you know who I am at the end it? An asshole in a box. - Feb 15, 2011
  - There's a couple picture books in this box if I get bored. And a big fucking stack of cloth diapers, so I'm good on that end too. - Feb 15, 2011
  - I can hear them calling my name out there, but fuck it. I can lie stiller than the fucking lake on a windless night. - Feb 15, 2011
  - Hide-n-seek in the crawspace. I am stuffed so far into this fucking box of baby clothes that nobody is every going to find me. - Feb 15, 2011
  - Ward 41 came through with a motherfucking gin jacuzzi. Haven't sat in one of these since Thanksgiving at Ari's. - Feb 15, 2011
  - The next motherfucking ward I visit had better have a fucking swimming pool filled with whiskey. - Feb 15, 2011
  - Ward 39 made a motherfucking mashed potato Sears Tower. It even has working elevators. Fucking incredible! - Feb 15, 2011
  - I swear to fucking god, I will donate \$2500 to the charity of your choice if you can come and fix this motherfucking radio. - Feb 15, 2011
  - Driving around these wards would be a whole lot fucking less boring if the goddamn radio in Axelrod's Civic wasn't busted. - Feb 15, 2011
  - Thanks, 29th Ward, for fixing our muffler! Too bad the 31st Ward just smoked your fucking ass with a block-long banana split. - Feb 15, 2011
  - Holy fuck, we're dragging that muffler down the motherfucking street, aren't we? I see fucking sparks out the back window. - Feb 15, 2011
  - Holy fuck: the 28th Ward stole all the remaining snow from the 24th and build a huge luge run! LUGE MOTHERFUCKERS, LUGE! - Feb 15, 2011
  - Bumper boats in the 24th ward. You're in the motherfucking drink, Axelrod! - Feb 15, 2011
  - Hot air balloon in the 22nd ward. I can see motherfucking Joliet from up here! - Feb 15, 2011
  - @wbezacuddy I've got eight hundred and forty-eight motherfucking reasons why that isn't going to happen. - Feb 15, 2011
  - Prize to the first ward that will just let me lie down and take a fucking nap. Maybe push the bed around a little, sing a song. - Feb 15, 2011
  - Word has it the 35th has set up a miniature Tokyo and has a big Godzilla suit for me to stomp it all with. Can't fucking wait! - Feb 15, 2011
  - Holy shit, Ward 26--a human-sized Italian Beef. I'm getting motherfucking dipped! - Feb 15, 2011
  - It's no baby goats, but the 42nd Ward had a pretty good comeback: They're all giving me piggy back rides. Fucking amazing! - Feb 15, 2011
  - MOTHERFUCKING BABY GOAT ALERT. Holy fuck, it's so goddamn cute it hurts. - Feb 15, 2011
  - Jackpot: petting zoo in the 43rd Ward! You are so fucking fucked, 34th. - Feb 15, 2011
  - Got word that the 20th Ward has built a pit filled with fun-sized candy bars for me to jump in. Fucking top that, 27th. - Feb 15, 2011
  - That's it, it's time for a Ward-off. 44 surrounded me with adorable children. The fuck you got, 36? - Feb 15, 2011
  - It would be motherfucking awesome if we weren't changing a tire in front of an old folks' home in the 40th Ward right now. - Feb 15, 2011
  - Quaxelrod's giving me fucking grief about the lack of ponds in every ward. There's a motherfucking lake--appreciate that. - Feb 15, 2011
  - Another upside: Can really flesh out my "Wards that are pieces of shit" list. - Feb 15, 2011

- Upside of this fucking 50 Wards concept: Pretty much every goddamn stop is a coffee shop. 50 motherfucking cups, let's go. - Feb 15, 2011
- This would be a lot more tolerable if it was 50 wards in 50 minutes. Just gun the fucking Civic and fly through all of them. - Feb 15, 2011
- I just visited my hundredth motherfucking EI stop. One fucking week more of this shit and then all the pain goes away. - Feb 15, 2011
- 50 Wards, 50 hours. Whoever the fuck thought of this is most definitely going on the cock-punch list. - Feb 15, 2011
- Motherfucking coffee, you're all I fucking need today. - Feb 15, 2011
- Sufficiently drunk to move on to the highlight of my Valentines' night: Throwing chunks of slush into the fucking lake. - Feb 14, 2011
- Drinking the Carol Marin: bourbon, lemon syrup, bitters, sparkling wine. Delicious, and it'll kick your fucking ass. - Feb 14, 2011
- Fucking goddamn done with that bullshit. VALENTINES NIGHT COMMENCE. - Feb 14, 2011
- Personally, I was hoping we could talk a little more about motherfucking musical theater. Spamalot, bitches. - Feb 14, 2011
- You know what's pathetic? That 70% of this debate is about corruption. Motherfucking Chicago, you're a hard fucking city to love sometimes. - Feb 14, 2011
- I hope Jody Weiss isn't doing his normal Monday-night drinking game on his name, because he's fucking gone by now. - Feb 14, 2011
- Motherfucking motherfuck, that question had nothing to do with motherfucking bread crumbs. My ass hurts. - Feb 14, 2011
- So far Quaxelrod's prep questions were spot-fucking on. My "gotcha" should be about bread crumbs in the parks. Fucking ready. - Feb 14, 2011
- Basic debate strategy: Sit back and let everyone else motherfucking destroy each other. Chico Tea Party endorsement, go! - Feb 14, 2011
- Braun's zombie smile is fucking incredible. When I'm mayor, I'm appointing her to the committee of motherfucking crazy smiles. - Feb 14, 2011
- Next debate, we should do this shit with motherfucking muppets. Del Valle would look incredible. - Feb 14, 2011
- OK, Carol Marin, let's motherfucking debate this shit. - Feb 14, 2011
- Fuck this, I'm prepped. How hard can it be: schools, budget, cops, how fucking crazy Braun is. Done, done, done, and done. - Feb 14, 2011
- Quaxelrod is clearly angling for a news anchor gig, with all his feathered fucking showboating on these debate prep questions. - Feb 14, 2011
- To be honest, the duck is kicking all of our asses with these fucking questions. - Feb 14, 2011
- Debate prep: Axelrod's Chico, Carl the Intern in my wife's wedding dress is Braun, Hambone is Del Valle. Quaxelrod? Carol fucking Marin. - Feb 14, 2011
- I keep starting a card for Del Valle, and then I get about eight percent done and wonder why I'm even fucking bothering. - Feb 14, 2011
- Valentine for Chico: On the front is a kitty holding a paper heart. Inside it says, "Let's go, asshole. Fuck you, Rahm." - Feb 14, 2011
- Couldn't find the flowers for Braun. Settled for a box of in-two-weeks-everyone's-going-to-fucking-forget-about-you-again. - Feb 14, 2011
- There's a motherfucking debate on Valentines Day? How fucking romantic. - Feb 14, 2011
- I'm trying to track down a bouquet of nobody-gives-a-fuck for Braun. Fuck me if the florists aren't going to be swamped. - Feb 14, 2011
- Axelrod's fucking into the blood-coffee "It's like I'm Edward." - Feb 14, 2011
- Carl the Intern's Valentine's surprise was to dye the coffee red. It looks like we're fucking drinking blood. - Feb 14, 2011

- We are grilling every motherfucking thing we can get our hands on. Come over, it's fucking awesome. - Feb 13, 2011
- Seriously, if you're not outside right now, you're clearly a fucking asshole. - Feb 13, 2011
- It's absolutely fucking incredible outside. Axelrod's busted out the Speedo, and we're all motherfucking jealous. - Feb 13, 2011
- We're fucking surfing the remains of the igloo. You served us well, our cold, snowy friend. - Feb 13, 2011
- HOLY FUCK: We have achieved near-total structural failure of this motherfucking igloo. Abandon goddamn ship. - Feb 13, 2011
- I ate a fucked-up chicken salad sandwich today, and I've been dealing with my own personal mayoral runoff ever since. - Feb 12, 2011

- 29 degrees now? This bitch breaks above freezing, and we're hitting the fucking beach. - Feb 12, 2011
- Summer loving: We're grilling the fucking coffee this morning. Hickory motherfucking smoked. - Feb 12, 2011
- This is the first motherfucking morning in a hundred years where I'm not going to end up frozen to a commuter while shaking hands at the EI. - Feb 12, 2011
- 28 degrees? HOLY FUCK, IT'S SUMMERTIME. - Feb 12, 2011

- And now we're all singing "Power of Love," arms clasped around each other's necks, and fuck all of you assholes, I fucking love my friends. - Feb 11, 2011
- Axelrod just stood up, poured a little out for dead homies, and started singing "Every Rose Has Its Thorn." A-fucking-mazing. - Feb 11, 2011

- This whole fucking world can lick "MY, MY, MY SERPENTINE!" - Feb 11, 2011
- We're all singing and I'm up on Axelrod's shoulders and my head is scraping against the snow ceiling, and I don't fucking care. - Feb 11, 2011
- "YOU'RE IN THE MOTHERFUCKING JUNGLE, BABY!" And let me tell you, at that point on this igloo is on fucking fire. - Feb 11, 2011
- Everyone's cheering and telling me to and I'm just playing it fucking coy. Then I grab the mic and yell, "DO YOU KNOW WHERE YOU ARE??" - Feb 11, 2011
- Axelrod. Pritzker. "Islands in the Stream." That is what they motherfucking are. - Feb 11, 2011

- Carl the Intern is sketching out designs for an airplane that we can fly up into these fucking snow clouds. It's motherfucking payback time. - Feb 11, 2011
- Oh my fucking god, it is not goddamn snowing again, is it? - Feb 11, 2011
- @juggernautco He's a good puppy. I knew he left it there. Just be glad I didn't light it on fucking fire first. - Feb 11, 2011

- I'm geolocating my ass out of this fucking place. Here's to a motherfucking geek-free weekend. - Feb 11, 2011
- Carl the Intern is trying to explain it to me, but if he says "geo"-anything one more fucking time, I'm walking out. - Feb 11, 2011
- If someone could actually tell me what this motherfucking company actually does, that'd be a big fucking help. Everywhat? - Feb 11, 2011
- I have completely run out of shit to say to nerds. Maybe I'll just give them a word problem and be done with this fucking bullshit. - Feb 11, 2011
- For all the nerds I've put up with this week, I'd better spend every fucking day next week being dunked by Derrick Rose. - Feb 11, 2011
- Hambone brought in today's itinerary: Some motherfucking map company. Great. More fucking nerds. - Feb 11, 2011
- Axelrod's doing TV this morning, which is a bummer because he was going to help fortify the igloo for the coming melt. Fuck. - Feb 11, 2011
- So now we have to endure Chico strutting around like a motherfucking peacock because he's only losing by 30 points, huh? - Feb 11, 2011
- Dear coffee, you are the motherfucking greatest of all of mankind's inventions. - Feb 11, 2011
- End of a stupid fucking debate means it's time to get stupid fucking drunk. - Feb 10, 2011
- You know what? Quaxelrod was right: Everyone in this race is motherfucking crazy. - Feb 10, 2011
- Where have I been scared in this city? HOLY FUCK THIS IS THE DUMBEST FUCKING DEBATE EVER. - Feb 10, 2011
- We can answer questions just based on reviews we've read about shit? That's awesome, because I have Yelp fucking ready to go. LET'S DO THIS. - Feb 10, 2011
- Holy fuck, we're saved: invest in nanotech and hardware stores. Can I just walk out? Is that allowed? - Feb 10, 2011
- And also: WHAT THE FUCK WAS THAT ALL ABOUT? - Feb 10, 2011
- Wait a second: What the fuck is a nanotechnology again? Just really small shit? - Feb 10, 2011
- I swear to fucking god, there are more people asking questions than answering them in this debate. - Feb 10, 2011
- You know what this day needs? A motherfucking debate. Here we go. - Feb 10, 2011
- Made it back to the igloo. Eric Schmidt and his fucking Google Goons finally wheeled away when they realized they were missing Stargate SG1. - Feb 10, 2011
- You know, shit like this never happened back when I was a fucking dancer. - Feb 10, 2011
- Hiding out under the LaSalle bridge. We can hear the fucking Google Segways overhead, but figure they'll run out of batteries eventually. - Feb 10, 2011
- Running. Holy fuck, we're running. And we're being pursued by 300 fucking geeks. Geeks with motherfucking swords. - Feb 10, 2011
- I have no idea what he's even saying, but Axelrod tells me when Schmidt gets to the line, "Madness? THIS IS GOOGLE!" We need to fucking run. - Feb 10, 2011
- Now Schmidt's giving a speech that Axelrod says is from the movie "300," but I wouldn't know, cause I'm not a fucking nerd. - Feb 10, 2011
- Schmidt's just wheeling back and forth, yelling, "YOU WANT SOME MORE, BITCH?!" I assure you that I didn't even want it the

- first fucking time - Feb 10, 2011
- Holy fuck. You don't quite understand pain until you've been knocked on your ass by a nerd on a Segway. - Feb 10, 2011
  - Don't ask me how it happened, but we're out on Kinzie right now getting ready to Segway joust. I'm so fucking fucked. - Feb 10, 2011
  - Schmidt wheels right up to my fucking face and says, "I know what you're thinking: Maybe I should have taken the blue pill." - Feb 10, 2011
  - I might have to do a motherfucking Bing search to figure out a way out of here. - Feb 10, 2011
  - Eric Schmidt just wheeled in on his Segway, and is circling me, tossing fucking headfakes. - Feb 10, 2011
  - Well this is the first talk I've ever given where half of the audience is on motherfucking Segways. - Feb 10, 2011
  - Axelrod just came out in his Tron outfit and Carl is changing into his wizarding cloak. I just look like a fucking chump in a suit. - Feb 10, 2011
  - WHAT THE MOTHERFUCKING FUCK? - Feb 10, 2011
  - I need a break from all this hobbiton, time-travel, multiverse bullshit. Where's my fucking New York Times? - Feb 10, 2011
  - Carl just spent 15 minutes trying to explain what a "multiverse" is. You mean there're other me's? My head fucking hurts. - Feb 10, 2011
  - If I understood half of what was in this speech, I'd feel a lot less nervous. What the fucking fuck is a "persistent data store"? - Feb 10, 2011
  - Axelrod's having me memorize Monty Python lines, "you know, for the nerds," but I think he just wants someone to fucking do them with him. - Feb 10, 2011
  - 3.14159265... great, now this bullshit is stuck in my motherfucking head too. - Feb 10, 2011
  - Carl the Intern is beside himself with excitement though. He's been reciting the digits in motherfucking pi for an hour now. - Feb 10, 2011
  - That said, I may need a chalice of motherfucking mead to help me deal with these geeks. - Feb 10, 2011
  - Hanging out with nerds at Google today. Up half the night building up my elfin sorcerer, in case anyone throws down a motherfucking 20-side. - Feb 10, 2011
